OFFERING THE MOST COMPREHENSIVE AND FLEXIBLE TRAINING SOLUTION FOR CHILD CARE PROFESSIONALS

Specifically designed to meet regulatory requirements for child care workers throughout the U.S., the American Heart Association's new Heartsaver First Aid Course offers the ideal pediatric first aid training solution for the child care industry and others requiring a credential in pediatric first aid. The Heartsaver Pediatric First Aid Course contains information on how to manage illness and injuries in a child in the first few minutes until professional help arrives.

With the addition of this new course, the American Heart Association provides a one-stop shop for child care providers training needs in CPR, AED use and pediatric first aid.

WHO SHOULD TAKE THE COURSE?

Those involved in child care who have a duty to respond to a first aid emergency because of job responsibilities or regulatory requirements, such as child care workers, teachers, foster care workers, camp counselors, youth organizations, coaches for children's sports programs, and others.

WHAT ARE THE COURSE FEATURES?

- Course contents based on regulatory requirements for child care workers in all 50 states
- Developed upon the most current resuscitation and first aid science from the 2005 *American Heart Association Guidelines for CPR and Emergency Cardiovascular Care*
- Incorporates the AHA research-proven Practice-While-Watching (PWW) method of instruction for CPR, which improves student learning and retention
- Course includes Optional Pediatric First Aid Topics module to meet additional needs of regulatory agencies in some states
- Student CD-ROM includes several additional pediatric first aid topics, so that facilities can tailor the course to fit their specific needs
- Modular format allows facilities to tailor course length – course can range from 2-1/2 to more than 8 hours depending on needs

WHAT DOES THE COURSE CONTENT INCLUDE?

- First Aid Basics
- Medical Emergencies
- Injury Emergencies
- Environmental Emergencies

WHAT ARE SOME OPTIONAL MODULES?

- Pediatric First Aid Optional Topics (Eye Injuries; Fever; Spider, Scorpion, Tick, and Marine Animal Bites and Stings; Suspected Abuse)
- CPR and AED (call 610-270-2313 for details)
- Asthma Care Training for Child Care Providers
